

The Hero Pt. 2

Ministry of Magic

Hero... (a hero)...

Faster and faster I run from the scene
Can my lungs not find the air or has my heart stopped beating
Has my heart stopped beating

Fighting against every fiber in me
Did I live up to my word or had my heart stopped beating
Had my heart stopped beating

Hero...

Hero (a hero)...
I don't wanna be one

Hero (a hero)...

Hero (a hero)...
I don't wanna be one

Hero...

I don't wanna be one...

Endlessly struggling against former ways
I will not be called a coward with the choices that I face
The choices that I face

Dark power's calling me out by my name
I will not answer its call after the sacrifice she made
The sacrifice she made

Hero...

Hero (a hero)
I don't wanna be one

Hero (a hero)

Hero (a hero)...
I don't wanna be one

Hero (a hero)

I don't wanna be one...

Faster and faster... I run from the scene...

This is hell
I'll never lose it oh but

This is hell
I'll never lose it oh but...
