

This Town

Ministry of Magic

(Luke)

You and I will fly out of this town
Here tonight leave all solid ground

(Ryan)

You and I will fly out of this town
Half blind, leave the underground

(Ryan)

We're breaking into Gringotts if I
Have to give the Imperious Curse a try

(Luke)

Voldemort has locked away his horcux
Too bad the sword of Gryf findor is with us

(Ryan)

There's a chance that we'll reveal our cards tonight
Voldemort will know we're killing off his last life lines

(Luke)

Everyone will know that we're still fighting
Not in shallow graves or fearfully hiding

(Luke and Ryan)

You and I will fly out of this town
Here tonight leave all solid ground
You and I will fly out of this town
Half blind, leave the underground

(Luke)

We're breaking outta Gringotts if I
Have to climb aboard an angry dragon hide

(Ryan)

It's unchained and you can bet determined
To finally escape this incarceration

(Luke)

Came in with the sword leave with the cup
Holding tight as I can to this run away truck

(Ryan)

I feel the cool of Diagon alley
fly through the doors on this dragon rally

(Luke and Ryan)

You and I will fly out of this town (You and I)
Here tonight leave all solid ground (Here tonight)
You and I will fly out of this town (You and I)
Half blind, leave the underground (Half blind)
