

Time Turner

Ministry of Magic

Time Turner
Time-time turner

She's got a plan that can save them all
Bring time to what seems like a crawl
Wager our lives on this magic device
Just a few turns we'll surely suffice.

Give it a spin, we begin
Replay the past again and again
Hold fast to the ones be quick on your feet
Be mindful, be careful of who they meet.

Magic in and save all your friends
Got the skills to do it again.
Magic in and save all your friends
Got the skills to do it again.

Time Turner, Time Turner
You'll be eating slugs, if you call her a mud-blood
Time Turner, Time Turner
She's top of the class and she'll undo your past.
Time Turner
Time-Time Turner

Fall through the tree into the Shrieking Shack.
Quickly stun Snape without looking back.
A fiendish howl in the black Nada chill.
Turn back time another chance is revealed.

Back in the swing of the actual
Understand how to take back a kill.
There's no more time to decide if it's right
The clock is ticking we can't sit and hide.

Turn it three times and change your fate.
Save Sirius before it's too late.
Turn it three times and change your fate.
Save Sirius before it's too late.

Are gauged on what you have to do
I mark the hours every one
Nor have I yet
Outrun the sun
