Ministry

Stronger than reason, stronger than lies
The only truth I know is the look in your eyes
The look in your eyes

Just like a car crash, just like a knife
My favorite weapon is the look in your eyes
You've run out of lies

You've run out of lies, you've run out of lies
You've run out of lies, you've run out of lies
You've run out of lies, you've run out of lies
There's a ton locked in your empty eyes
Get out of my life

I'm chewing on glass and eating my fingers
I'm not the one who's run out of lies, lies

You've run out of lies, you've run out of lies
You've run out of lies, you've run out of lies
You've run out of time

Cutting my face and walking on splinters
I lost my soul to the look in your eyes, your eyes

You've run out of lies, you've run out of lies
You've run out of lies, you've run out of time

Stigmata

O, you have empty eyes
They tell me nothing, nothing but lies
