

Ghouldiggers

Ministry

You vultures want me dead
What's up with that?
You make more money off the
Carcass that is dead
What's up with that?

I'm not dead yet
No no no

Ghouldiggers
Vultures and thieves
Ghouldiggers
Shrouded in their greed
Ghouldiggers
They're always after me
Ghouldiggers

You vultures strike it rich
What's up with that?
There's just one little hitch
I'm not dead yet
And that's a fact

I'm not dead yet
No no no

You never return my calls
What's up with that?
No word from you at all
What's up with that?

I'm not dead yet
No no no
