

Hail to His Majesty (Peasants)

Ministry

I hate all you motherfuckers...
Peasants
All you motherfuckers
Hail to His Majesty

You're stupid... you're stupid... you're stupid...
You're stupid... you're stupid... you're stupid...
You're stupid... you're stupid... you're stupid...

Hail to His Majesty
Suck my motherfuckin' dick
While I spray on the public

Feel free to use your teeth
'Cause I just fuckin' love it

Shhh... everybody be quiet now...
Hail to His Majesty
Hail to His Majesty
Hail to His Majesty

Just lick my motherfuckin' balls
Pearl necklaces for everyone
Don't fucking care at all

'Cause I'm Al Fuckin' Jourgensen
Peasants, you're peasants, you're peasants

You fucking suck
I hate all you motherfuckers...

You're stupid... you're stupid... you're stupid...
You're stupid... you're stupid... you're stupid...
You're stupid... you're stupid... you're stupid...

Hail to His Majesty
