

## Just Like You

Ministry

standing on corners  
and begging for quarters  
for what? for you! (and you)  
busting my head  
cos that's what you said  
for all of us -- fuck you!  
just like you!

people are happy  
when they're not so trapped  
by someone just like you! (and you)  
many more years  
of nothing but fear  
of anything you do!  
1980's was run by  
a person who's crazy -- like you! (and you)  
the 1990's will be  
unkindly, exactly like you! (and you)  
just like you! (and you)  
you!

when one dictator  
is the same as the leader -- just like you! (and you)  
we work, we survive  
just like you! (and you)  
we work, we twitch  
you! (and you)  
just like you!
