

Kleptocracy

Ministry

No conscience
No soul
Let's lock and load

Kleptocracy

It's a matter of rights
How do you sleep at night?
It's time for us to fight

Kleptocracy
Fuck You
Kleptocracy
What have you done for me?
Kleptocracy
Fuck You
Kleptocracy
Avarice and greed

Kleptocracy

We don't want treason
We just want reason
This is the season

Kleptocracy
Fuck You
Kleptocracy
What have you done for me?
Kleptocracy
Fuck You
Kleptocracy
Avarice and greed
