(3-2-1, roll 5)  
You've got something to say  
You better jump in my face  
( Aim)  
You've got something to hide  
You're scared as shit to die  
( Aim)  
Aim, Reload  
You say it's time to collect  
I'll kick your ass and digest  
( Aim)  
Aim, Reload  
It's time to settle the score  
You stow your act at the door  
( Aim)  
Aim, Reload  
You wanna lie like a dog  
You're going to wake up with fleas  
Aim, Reload  
Inside a world full of shit  
You're still an asshole to me  
( Aim)  
Aim, Reload
