I need help I need help I don't know who I am no more I'm gonna get some help Help me Step! Step, step it up baby! Got a question for you: like, who, what, where, why? Are we even here? Or are we following alone like another lost Indian looking for his tribe? Oh dial the phone. We might as well find someone else. ??? Grrr! (wails) I like to apologize to all my wonderful fans For sticking by me through such troubled times I love all you so much I wish I could take you all to the Betty Ford Clinic Yeah Step! Step it up baby! We gotta sell instutions of recovery, We gotta kill distrubutions of the pills I take! ??? Grr! Step! Step it up baby! I love all my fans Through these times of nakedness If I could I'd take any one of you with me Put you right underneath my pillow [fade out..]
