## Worthless

Hate yourself Self preservation Torture yourself Til the system cracks Despise yourself You're worthless You're worthless You're worthless You're worthless You're worthless You're worthless Means nothing to me Kill yourself That's what you wanted Pity yourself You're a righteous man Destroy yourself You're worthless You're worthless You're worthless You're worthless You're worthless You're worthless Means nothing to me Rape yourself Self-degradation Fuck yourself Till there's no way back Just fight yourself You're worthless You're worthless You're worthless You're worthless You're worthless You're worthless Means nothing to me
