Dancin' & Actin' Crazy

Minnie Riperton

Late last night I dreamed my baby called But he wasn't on the phone
I got up and tiptoed down the hall
And tripped into the twilight zone

Everyone there was gettin' down Dancin' and actin' crazy
Everyone there was carryin' on
Dancin' and actin' crazy

Sparkelitas vamped arount the room Flashin' out with champaigne eyes G. randini played those eighty-eights Till ivory tears began to fly

Oh what a party
The baddest jam I'd ever seen
I started shakin'
I had to scream

I woke up and wondered where I'd been Just a dream I realized Went downstairs to put some water on And I could not believe my eyes Why why!
