

Seeing You This Way

Minnie Riperton

La la la la la la la la la la...
Seeing you this way makes me feel so happy
Seeing you this way makes me feel so good
You come alive
You fill the world with magic
When you move this way
You fill the world with love

Seeing you this way makes me feel so happy
Thank you, thank you for your love
La la la la la la la la la la
I just wanna thank you
