

# If You Love Me

Mint Condition

If you love me  
Like you say you do  
Why don't you show me  
Just how much you do  
If you love me  
Unconditionally  
Say that you'll always, always be with me

In my heart  
There is a love  
That's yearning for you  
Let me know  
If you feel the same  
The yearning that I do

All I know  
Is that I need a love  
To give me what I need  
Don't be afraid  
Or hesitate  
I'm tryin' to make you see  
How it's gotta be

All the words  
That you didn't say  
Pushed me away from you  
Word of love  
That I need to hear  
To let me know you do

Through the night  
I dry my eyes  
For now I have learned  
Lonely tears  
They fall the same  
When love is not returned
