

Look Whachu Done 2 Me

Mint Condition

What More Can I Do Without You
Cause Now I've Just Conquered The World
Seen Everything A Man Could See
Even Scooped Up Diamonds And Pearls

I Tried To Move On, Find A Lady I Like
I Took My Time But Still You Burn Through My Mind

Now Look What You've Done 2 Me
Guess I'll Just Be Lovin' You Girl
So Sick From Your Love I Grieve
Doctor Say There Ain't No Cure

Can't Fade You From My Memory
Ain't Nobody Else That I Can Turn To (Naw¥)
Stuck In Beautiful Misery
Right Now There's Nothing More I Can Do

Rather Be With You, Havin' Some Crazy Fight
Than Be On Top Of The Globe Without You In My Life

Now Look What You've Done 2 Me
Guess I'll Just Be Lovin' You Girl
So Sick From Your Love I Grieve
Doctor Say There Ain't No Cure

Guess I Have To Settle For This
Live In This Twisted Kind Of Bliss
Kiss Kiss You Girl Goodbye
Only Have You In My Mind
