Hey girl, you in danger goin' down the hill..doin' 90 miles and hour behind the wheel..

So every man sees you, then you might let one please you..leave you so empty.

Girl you must not think you're worth anything..don't know bout' the natural gifts that you bring..

Girl I appreciate you, never try to fake you, I'll show you how it's really supposed to be..

Girl...you can get what you want, if you just slow down and walk.  
.just turn to your right

You'll see somebody cares about cha.

Girl...nobody knows you like I do, there's so many people fakin' you..just turn to your right.

You'll see somebody cares about cha.

I know...that you're feelin' kinda heavy, from all..that armor th at you've had to carry...

But you can put it down cause I wanna be around and I feel your heart wants that too.

You say it ain't always bout' the physical.. and you want someo ne who ain't all material..

Girl what you wanna do, let's be about the truth, you know I'll make you feel brand new.

You know this whole time that I've been the one right..here.

Baby come on sit right next to me in this..chair.

Let's get into it girl cause I want your soul bare..

I've been right here, yeah..yeah..

Girl...you can get what you want, if you just slow down and walk.  
.just turn to your right

You'll see somebody cares about cha.

Girl...nobody knows you like I do, there's so many people fakin' you..just turn to your right.

You'll see somebody cares about cha.

No more, no more...

Do you have to be the craziest, to pass the test...

No more, no more...

Do you have to be the one abused, and feel a fool...

No more, no more...

Do you have to compromise yourself, if you don't want to...

No more, no more, girl you fit for me, and I know the same is t rue for you...
