# Someone To Love

**Mint Condition**

It feels so good when I'm with you
Gone ecstasy, yeah yeah
It's just the little things you do
That makes me wanna be right there
When you need
Someone to love

'Cause if it's love you seek
(I'll give you)
I'll give you all the love you need
Just take my hand
And I'll lead the way
If you need someone to love
(Yeah yeah yeah)

Your lips, your eyes they get to me, baby
And I lose control, yeah yeah yeah yeah
Such a warm personality
You make me want it more and more and more each day
I wanna be your someone to love

'Cause if it's love you seek
(I'll give you)
I'll give you all the love you need
Just take my hand
And I'll lead the way
If you need someone to love

I'll give you more
More than you've ever known
(Hey hey)
So much love
Love you can call your own

My heart and soul
I'll give to you
See I'll be dedicated
I know that we can make it baby
Oh, yeah yeah yeah yeah

'Cause if it's love you seek
('Cause if it's love)
(I'll give you all)
I'll give you all the love you need
Just take my hand
And I'll lead the way
If you need someone to love, yeah

'Cause if it's love you seek
