

Wish I Could Love You

Mint Condition

I think you're beautiful
Wish I had you all the time...the time
Always on the go
Dating different men all the time
Always searchin' for
Somethin' that you can't find...you can't find
Don't know why I mess withcha
You ain't right for my mind

Wish I could love you
Wish I could be with you
But you're always hangin' out
Always on somebody's couch
Wish I could love you
Wish I could be with you
You're a pimp but I could be wrong
Always new men blowin' up your phone

When you had a few drinks
You slipped and called me your man...your man
If I'm your man girl
Then why is your X in your bed
You said he was passing through
And he's like a brother to You...to you
I can see stayin' the night
But for 3 days I didn't get to see you..
I thought he was passing through...

Wish I could love you
Wish I could be with you
But you're always hangin' out
Always on somebody's couch
Wish I could love you
Wish I could be with you
You're a pimp but I could be wrong
Always new men blowin' up your phone
I wish I could love you
Wish I could love...Wish I could love you..
But you might have that pimp juice
Might have that pimp juice..
So I can't love you...
