

Body-Shaped Box

Minuit

grasp you, clasp you,
i'll say anything you want
make you, hate you,
i'll do anything you want
i'm waiting for the revolution in you
grasp you, clasp you,
i'll say anything you want
we've got a body shaped box
with your name on it
we've got a body shaped box
with your name on it
we've got a body shaped box
with your name on it
we've labelled it
