

Absinthe Party at the Fly Honey Warehouse

Minus the Bear

Hey, let's cross the sea
And get some culture
Red wine with every meal
And absinthe after dinner
We'd look good side by side
Walking back to the hotel

We've got to get something
To eat and to drink yeah
And find a place to stay
That's not far off the main way
We've got to plan our day
Rodin and Orsay
And find a way to cram it all in
Before we drink hard again

Let's get a bottle and drink alone tonight

This light looks good on you
Morning came early
Sitting on a park bench
That's older than my country
Two star hotel, hotel
Two star hotel, hotel
Two star hotel
Near St. Germain
Two star hotel
Where the stars don't mean anything
