

Silver

Minus the Bear

Moment winter sun blinds my eyes
Cold white lie, will find its way
Closed I see red, shapes in air
Cool wind keeps my eyelids

You'd steal the coins from my eyes
If I was on that river
If I was on that river
You'd leave me no respite
Eyes open and blind
The wave on the tide
Are you keeping time
Keep floating down the line

Eyes come with truth, cross the lie
I come home to haunt you now
Nowhere to hide, count the lies
My every stitch you throw down

You'd steal the coins from my eyes
If I was on that river
If I was on that river
You'd leave me no respite
Eyes open and blind
The wave on the tide
Are you keeping time
Keep floating on down, down the line

Bring on the night
Bring on the night

Bring on the night
Bring on the night

Bring on the night
Bring on the night

You talk on your kiss
Lonely ghost sneaks inside
In your thoughts, unties your knots
Of the sheets around your bed

I'm haunting you through cold lies
Haunting you

Bring on the night
Bring on the night

Bring on the night
Bring on the night

Bring on the night
Bring on the night

You'd steal the coins from my eyes
If I was on that river
If I was on that river

You'd leave me no respite
Eyes open and blind
The wave on the tide
Are you keeping time
Keep floating on down, down the line

Bring on the night
Bring on the night

Bring on the night
Bring on the night

Bring on the night
Bring on the night
