

Courage

Minutemen

Where's your courage?
Are you afraid to die?
Are you happy that God is on your side?

I wrote this song in a story of men who died for glory

Where's your courage?
Do you think you're alone?
Are you laughing for being blind and pure?

I wrote this song in a story of men who died for glory

Where's your courage?
Do you share all you have?
Are you hiding from something you don't know?
Where's your courage?
