

Binary Divide

Miracle Of Sound

Through you I am born....
Yesssss...

I am the butcher on your back
I am your guide
We never will be broken
Never will divide

Soft touch, servant
Toiler, tool
Violent, vengeful
Callous, cruel

Bicker, bellow
Scream and screech
Vicious virus
Lurid leech

BE MY PUPPET!!!!
BE MY PAWN!

Torn in binary divide
Everything I love has died
Faith will follow me no more
Sinful symbiotic core in me

Blood red splatter
Painful end
My worst rival
My best friend

Hateful hunter
Ally, aide
Twin tongues twisting
Be unmade

Torn in binary divide
Everything I love has died
Faith will follow me no more
Sinful symbiotic core in me

Feel her closer...

Too late.... LOVE DIES

BE MY PUPPET!!!!!!!
BE MY PAWN!!!

I am the butcher on your back
I am your guide
We never will be broken
Never will divide

EMBRACE THE
DARK!!! DARK!!! DARK!!!

Torn in binary divide

Everything I love has died
Faith will follow me no more
Sinful symbiotic core in me

Feel her closer
Symbiotic core in me

Now you are mine....
Mine....
