

Higher Tonight

Miracle Of Sound

Inter-dimensional dreams
Extra terrestrial beams
I'm raiding into the cache
I'm summoning my UFO
I'm wubbing on my LFO
I'm instigating the crash

GOT MY PURPLE PURPLE WUBS MAN

I'm going higher tonight yeah
I'm gonna set this city alight
I'm going higher tonight yeah
I can see the world from my satellite

I'm oscillatin' my waves
I'm liberatin' the slaves
So keep it steady & flow...
Ain't never gonna cut you no slack
Feel better when I'm pumpin' my tracks
This city's ready to blow...

GOT MY PURPLE PURPLE WUBS MAN

When the world is coming down around me
I'm just gonna keep on dancing

I'm going higher tonight yeah
I'm gonna set this city alight
I'm going higher tonight yeah
I can see the world from my satellite
