

# Kickback

## Miracle Of Sound

In the searing streets  
In the dead of night  
Under the prying eyes  
Of the parasites

In the raging gaze of the midnight hives  
In the fading haze I will come alive  
As million network nobodies collide

But we won't suffer for nothing

Kick back! We're breaking though the cages  
Breakin through the cages hard  
Code crack we're tearing out the pages  
Breaking through the cages hard oh-whoa-oh  
Keep running  
Keep kicking back!  
Keep running  
Oh-whoa-oh!  
Keep running  
Keep kicking back!  
Keep running

We're asphalt slaves  
Move in one motion  
We're all just waves  
In one big ocean

So take a good hard look at the life we've led  
All the abuse you took buried in your head  
On the memory of a dying time we ride

But we won't suffer for nothing

Kick back! We're breaking though the cages  
Breakin through the cages hard  
Code crack we're tearing out the pages  
Breaking through the cages hard oh-whoa-oh  
Keep running  
Keep kicking back!  
Keep running  
Oh-whoa-oh!  
Keep running  
Keep kicking back!  
Keep running

We won't be told!!  
Won't be controlled!!  
We won't be told!!  
Won't be controlled!!

Kick back! We're breaking though the cages  
Breakin through the cages hard  
Code crack we're tearing out the pages  
Breaking through the cages hard oh-whoa-oh  
Keep running  
Keep kicking back!

Keep running  
Oh-whoa-oh!  
Keep running  
Keep kicking back!  
Keep running

Yeah!  
Whoa-oh-ohoh!  
Yeah!

We won't be told!!  
Won't be controlled!!
