

My Iron Skin

Miracle Of Sound

Clean cut
Mechanical beat
Hot strut
Gonna sweep you off your feet
Stark heart
Magnetic high
Better lock up your daughters
cause they're catchin my eye

And when the walls they closing on me
There is a place I can be...

I'm safe & sound
Under my iron skin
Nothin's gettin in
Under my iron skin
Got no rules or discipline
Under my iron skin

Eyes wide
No time for sleep my mind's a
Flood tide
Where obsession sweeps so take a

Drive deeper
Highways overload
I been tryin' to take a detour
from these patriotic roads

But I ain't no regular guy
Every rule I defy

I'm safe & sound
Under my iron skin
Nothin's gettin in
Under my iron skin
Got no rules or discipline
Under my iron skin

But underneath the skin without you baby I am cold
I am made of iron but babe you're made of gold

I'm safe & sound
Under my iron skin
Nothin's gettin in
Under my iron skin
Got no rules or discipline
Under my iron skin
