Better grab your plasma cutter

Gonna slice through limbs like a blade through butter

Better grab your plasma cutter

You know why...

We're makin' Necromorph Soup

(Necromorph Soup)

It's a very simple recipe just giblets, guts and goop

We're makin' Necromorph

(Necromorph Soup)

Murder's on the menu, come and grab yourself a scoop!

Yeah!

Feedin' and-a bleedin' and-a droolin' scum

They stalk through the corridors

Grabbin' and-a stabbin' and-a screamin' death

They paint the walls with gore

Better grab your plasma cutter

Gonna slice through limbs like a blade through butter

Better grab your plasma cutter

You know why...

We're makin' Necromorph Soup

(Necromorph Soup)

It's a very simple recipe just giblets, guts and goop

We're makin' Necromorph

(Necromorph Soup)

Murder's on the menu, come and grab yourself a scoop!

Yeah!

And it's all over the walls

And it's all over the floor

Your appetite's kinda fadin' away

You're not so hungry anymore...

We're makin' Necromorph Soup
