Miracle Of Sound

RAMPAAAAAAAAAAGE!!!

Screwball psychopathic mental
Unhinged and berserk
Blue ball get me temperamental
I tweak and I jerk

Slingshot personality
Don't stretch me too far
You might wake up screamin'
In the trunk of my car

Loosen up my screws
Time to light my fuse

I'M GOIN' ON A RAMPAGE!!
Mayhem disarray
I'M GOING ON A RAMPAGE!!
So ya best get out' my way!

Excuse me a minute mister
Say that's a nice truck
Speed freak whippin up a twister
I don't give a

Sickened up my herd
And now I'm ready to cull
I might just do a square dance
On the back of your skull

Loosen up my screws
Time to light my fuse

I'M GOIN' ON A RAMPAGE!!
Mayhem disarray
I'M GOING ON A RAMPAGE!!
So ya best get out' my way!

Get loose!
C'mon now
Loosen up them screws

When I get in my car and drive
There ain't nobody left alive

I'M GOIN' ON A RAMPAGE!!
Mayhem disarray
I'M GOING ON A RAMPAGE!!
So ya best get out' my way!

GET OUT MY WAY!
RAMPAGE!
