

She Gonna Teach Ya (How To Rock N Roll)

Miracle Of Sound

Strip-light white, she's a pale supernova
With a bona-fide attitude
Marks set go she's a sweatin' up the mojo
Can I reach her altitude?

She got a-nothin in her way
All the walls come crashing down
I'm gonna take her my arms
We're gonna tear up this town

She gonna teach ya how to rock and roll
She gonna teach ya how to rock and roll
Yeah she got a fire burnin' out of control
And baby's gonna teach ya how to rock and roll
Yeah she gonna teach ya how to rock and roll

Left, right, straight she's a glow in the middle
Of a spinning red ring of light
She got so much soul and she don't even know it
Ain't no venom in her bite

She got everything I want in a lady
And a little more
She's a cool desert island
I'm a wave washing off her shore

She gonna teach ya how to rock and roll
She gonna teach ya how to rock and roll
Yeah she got a fire burnin' out of control
And baby's gonna teach ya how to rock and roll
Yeah she's gonna teach ya how to rock and roll

She gonna teach ya how to rock and roll
She's gonna teach ya how to rock and roll
Mmm, she got a fire burnin' out of control
And baby's gonna teach ya how to rock and roll
Baby's gonna teach ya how to rock and roll

She gonna teach ya how to rock and roll
She gonna teach ya how to rock and roll
Yeah she got a fire burnin' out of control
And baby's gonna teach ya how to rock and roll
Yeah she gonna teach ya how to rock and roll

She gonna teach ya
Yeah she gonna teach ya
She gonna teach ya
Yeah she gonna teach ya how to rock and roll
Yeah she gonna teach ya how to rock and roll
