

## Of Pressure

Mirah

The earthquake  
Is making  
The house shake  
The house shake

The earthquake  
Is making  
The house shake  
The house shake

I don't know  
What to do  
In times of  
Disaster

Solid things  
Go liquid  
And the breath  
Gets faster

I ask you  
What you think  
Of my forward question  
Is this a  
Release, or  
A build up  
Of pressure?
