Of Pressure

The earthquake Is making The house shake The house shake The earthquake Is making The house shake The house shake I don't know What to do In times of Disaster Solid things Go liquid And the breath Gets faster I ask you What you think Of my forward question Is this a Release, or A build up Of pressure? The earthquake Is making The house shake The house shake The earthquake Is making The house shake The house shake I don't know What to do In times of Disaster Solid things Go liquid And the breath Gets faster I ask you What you think Of my forward question Is this a Release, or A build up Of pressure?
