

# The Garden

Mirah

Oo  
I really wanted that thing  
I just want to sing  
I love you baby won't you bring  
All the flowers you, find out in the garden  
Don't tell me the truth  
That your heart has hardened

But you don't want me anymore  
How can it be?  
Look what you've done to me  
Oo

Oo  
The bee does quickly sting  
I was wondering  
If you could maybe, darling, think  
I'd give everything  
If you'd grant my love a pardon  
And all the fruits again would fill the garden

But you don't want me anymore how can it be  
Look what you've done to me

OOo Oo OOo Oo  
OOo Oo OOo Oo  
OOo Oo OOo Oo
