

Words Cannot Describe

Mirah

Words cannot describe
The twinkle in your eyes
The fireworks that happen
Inside my heart they're snappin'
I'm wishin on a star to be with you

This lazy afternoon
Will find me in my room
Pluckin' petals one by one
Oh my heart will come undone
Wonderin' if my wishes will come true

I'm waiting for the day you'll let me love you
I'm like a flower swooning for the sun
Shine on me so tenderly my love
And say that you will be my only one

I look up at the moon
And hope that maybe soon
We'll be together, I can tell
Our romance will be like a spell
Cast upon the town when we're around

I see you walking by
And there's no use to disguise
The fella in me quivers
And now I've got the shivers
It's tingling up my spine
Oh you're devine

Oh tell me won't you say to me my darling
That your love for me will never die
I look up at you and sweetly sigh
Forever I could stare into your eyes

Words cannot describe
The twinkle in your eyes
The fireworks that happen
Inside my heart they're snappin'
I'm wishin' on a star
I'm wishin' on a star
I'm wishin' on a star
To be with you
