

Coming Home

Miranda Cosgrove

R:

I'm coming home
I'm coming home
Tell the world I'm coming home
Let the rain wash away all the pain of yesterday
I know my kingdom awaits and they've forgiven my mistakes
I'm coming home, I'm coming home
Tell the world that I'm coming...

Haha, here we go...

I'm back where I belong
(Back in)
I never felt so strong (so strong)
I feel like there's nothing that I can't try
(Nothing that you can't try)
And if you with me put your hands high
(Put your hands high)
If you ever lost a light before (yeah) this ones for you (for you)
and you, the dreams are for you
(These dreams are for you)
I'll be home soon
I'll be home soon

I hear "The Tears of a Clown", oh
I hate that song
I feel like they talking to me when it comes on
Another day, another dawn
Another Keisha, nice to meet ya, get the math I'm gone
What am I supposed to do when the club lights come on
Its easy to be Puff, its harder to be Sean
What if my son stares with a face like my own
And says he wants to be like me when he's grown (me with he's grown)
But I ain't finished growin'
Another night the inevitable prolongs
Another day, another dawn
Just tell Keisha and Teresa I'll be better in the morn
Another lie that I carry on
I need to get back to the place I belong

Tell the world I'm coming home
Let the rain wash away all the pain of yesterday
I know my kingdom awaits and they've forgiven my mistakes
I'm coming home, I'm coming home
Tell the world that I'm coming... home.

"Ain't No Stoppin' Us Now"
I love that song
Whenever it comes on
It makes me feel strong
I thought I told ya'll that we won't stop
We back cruisin' through Harlem
Viso blocks
It's what made me

Saved me
Drove me crazy
Drove me away than embraced me
(Oh, oh, yeah)
For all of my shortcomings
Welcome to my homecoming
(Oh yeah)
Yeah
It's be a long time coming
And here I stand
A better man
(Yeah)
Thank you all
(Thank you all!)
