

# Daydream

Miranda Cosgrove

1. I could've been the one you noticed  
I could've been all over you  
I could've been like all the others  
Is that what I'm supposed to do?

2. It would've been really stupid  
If I would've went out with you  
To give you everything you wanted  
It would've been way too soon.

\*: I try to be sensitive, I try to be tough  
I try to walk away  
I try to be innocent, I try to be rough  
But I just wanna pray.

R: You're my daydream  
You know that I've been thinking about you  
Late-ly, and every time I look at you  
I can't explain I feel insane  
I can't get away  
You're my daydream.

3. If I tell you what I'm thinking  
And I let myself trust you  
Can you give me what I'm missing  
Can you make my dreams come true

\*: I try to be sensitive...

R: You're my daydream...

4. I've always wanted someone  
I've been waiting so long  
Could you be that someone?  
Are you my, you my  
You're my, you're my...

R: You're my daydream...

And you know, and you know, and you know  
You're making me insane  
And you know, and you know, and you know  
And you're doing it again  
And you know, and you know, and you know  
You're making me insane  
And you know, and you know, and you know  
And you're doing it again
