

Face of Love

Miranda Cosgrove

I'm ready for ya now
I think my tongue's done waiting it out
You took a while to get through,
I've been awake and dreaming it true.
With every, with every seam you're sewing up my heart
With every thread, you know you'll put it apart
Look in the mirror, I don't see no scars,
and everywhere i need you, there you are.

Something in your eyes, I recognize it, baby,
could you be the face, of love?
Everything is perfect when the light is right
You'll turn and see the face, of love,
Oh we see, eye, eye, eye to eye.
I hear it from your mouth,
Uh Oh,
Pulling back the curtain,
now it's starting to look certain
You're the face of love

I'm looking for you now.
Needed a minute, to figure it out.
I'm looking straight out through the window,
don't wanna blink, might miss the signal.

With every, with every seam you're sewing up my heart,
With every thread, you know you'll put it apart.
Look in the mirror, I don't see no scars.
And everywhere I need you, there you are.

Something in your eyes, I recognize it, baby,
could you be the face, of love?
Everything is perfect when the light is right
You'll turn and see the face, of love,
Oh we see, eye eye eye to eye.
I hear it from your mouth.
Uh Oh,
Pulling back the curtain, now
it's starting to look certain
You're the face of love

Uh Oh,

I see my best self, in you,
I see my best self, in you.

Something in your eyes, I recognize it,
baby,
could you be the face, of love?
Everything is perfect when the light is right
You'll turn and see the face, of love.
Oh we see eye eye eye to eye.
I hear it fro-om your mouth.
Uh Oh,
Pulling back the curtain, now
it's starting to look certain
You're the face, of love.

Uh Oh,

I see my best self, in you.

I see my best self, in you.
