

# Last Goodbye

Miranda Lambert

Used to stay for hours, and listen to the rain  
You'd hold me on the porch swing  
While our troubles washed away  
And Daddy'd come and get me  
Girl it's time to come inside.  
And I'd say, just a few more minutes  
Daddy please, we need a little time  
To say our last good-bye

Time flew by so quickly, and our love slowly died  
We both knew that we had grown apart, neither one knew why  
Told me you'd come back when, you'd made up your mind  
Now all those memories faded, all except the night  
You said your last good-bye

I know you needed time to find yourself  
But I can't keep my heart upon that shelf  
Boy it's been awhile now, since I heard your voice  
I didn't want to call you, but my heart left me no choice  
I just called to tell you, that I'm really doing fine  
That I been doing lots of thinkin'  
And I finally decided it was time  
To say my last good-bye  
Ooooooh, good-bye, good-bye
