

# Somewhere Trouble Don't Go

Miranda Lambert

Devil had a daughter  
Took him to deep water  
Tried to kill him with a kiss  
He said hey now honey  
What about the money  
I said I ain't got time for this

Take me take me somewhere trouble don't go  
Make me make me someone trouble don't know

He said baby come inside  
I said sorry I got to ride  
Sorry but I got to ride  
You know you could end up dead  
For sleeping in the devil's bed  
Sleeping in a devil's bed

Take me take me somewhere trouble don't go  
Make me make me someone trouble don't know

Baby wants to drive my car  
But he wants to go too far  
But he wants to go too far  
First comes love and it's so fine  
Then comes heartache right behind  
Then comes heartache behind  
My baby used to be so sweet  
Now he won't come down my street  
Now he won't come down my street  
All my plans got derailed  
He locked up my heart in jail  
He locked up my heart in jail

Take me take me somewhere trouble don't go  
Make me make me someone trouble don't know  
Take me take me somewhere trouble don't go  
Make me make me someone trouble don't know
