

## Texas as Hell

Miranda Lambert

I'm texas as hell  
made in honery  
I don't need no loud mouth  
comin' on to me

My temper gets hotter in red white and blue blazes  
you know dog-gone well everybody can tell I'm texas as hell

Well I know I haven't been around a long time  
but I've heard my share of  
those worn out love lines  
if you ain't redneck  
dont waste your time  
because right now I'm in a lonestar state of mind

And I'm texas as hell  
made in honery  
I don't need no loud mouth  
comin on to me  
my temper gets hotter in red white and blue blazes  
you know dog-gone well everybody can tell  
I'm texas as hell

Well I guess you think that I'll be persuaded  
but how many times do I have to say this  
don't mess with me boy  
for heaven's sake  
didnt anybody tell you messin with texas was a big mistake

Cus' I'm texas as hell  
I'm made in honery  
I don't need no loud mouth comin on to me  
my temper gets hotter in red white and blue blazes  
you know dog-gone well everybody can tell  
I'm texas as hell

You know dog-gone well everybody can tell I'm texas as hell  
yeah
