I'm texas as hell
made in honery
I don't need no loud mouth
comin' on to me

My temper gets hotter in red white and blue blazes you know dog-gone well everybody can tell I'm texas as hell

Well I know I haven't been around a long time but I've heard my share of those worn out love lines if you ain't redneck dont waste your time because right now I'm in a lonestar state of mind

And I'm texas as hell
made in honery
I don't need no loud mouth
comin on to me
my temper gets hotter in red white and blue blazes
you know dog-gone well everybody can tell
I'm texas as hell

Well I guess you think that I'll be persuaded but how many times do I have to say this don't mess with me boy for heaven's sake didnt anybody tell you messin with texas was a big mistake

Cus' I'm texas as hell
I'm made in honery
I don't need no loud mouth comin on to me
my temper gets hotter in red white and blue blazes
you know dog-gone well everybody can tell
I'm texas as hell

You know dog-gone well everybody can tell I'm texas as hell yeah $\,$
