

## Texas Pride

Miranda Lambert

Well they say there's lots of fans  
for those texas country bands  
playing all them songs about texas pride  
well you can make one little bet  
I ain't seen my fan club yet  
but I'm hell bent for gettin them on my side

I sing the eyes of texas  
make my home on the range  
and I shout out T for texas every hour  
I've been drown in whiskey river and I've played down at the La  
Grange  
and the rose of san antone is my favorite flower

I saw Robert Earl Keen  
at the dance hall down in green  
he said the party never ends down aggy way  
yeah and Dallas has their show with old David Allen Coe  
he never even called me by my name  
well I can rope a steer  
drink a keg of Lonestar beer

I got three pet armadillos and a pick up truck  
I got a redneck for a mother  
and I'm here to tell you brother  
if you ain't born in texas then you're out of luck  
cus' them people down in texas dont give a dog-gone if  
you ain't born in texas then you better go home
