

Lakutshn Ilanga

Miriam Makeba

You tell such lovely lies
With your two lovely eyes
When I leave your embrace
Another takes my place

Your kiss that I adore
Makes me come back for more
Although my heart is wise
To all your lovely lies

The devil is a woman
So enticing and oh so beguiling
And the devil is a woman
Who hurts you while she's smiling

Lost in a masquerade
My heart has played and paid
A broken my prize
For all your lovely lies
