

## Lakutshn Ilanga

Miriam Makeba

You tell such lovely lies  
With your two lovely eyes  
When I leave your embrace  
Another takes my place

Your kiss that I adore  
Makes me come back for more  
Although my heart is wise  
To all your lovely lies

The devil is a woman  
So enticing and oh so beguiling  
And the devil is a woman  
Who hurts you while she's smiling

Lost in a masquerade  
My heart has played and paid  
A broken my prize  
For all your lovely lies
