

# Last Night I Saw You

Miro Žbirka

1. Last night I saw you standing there  
Talking to the other guy  
Trying to pretend that I don't care  
But then I'm on the way and cry  
Remember the words you've said before  
And it was a long ago  
Just you and me for evermore  
Baby, won't you try to show

2. Last night I saw you standing there  
And you let to hold you tight  
Trying to pretend that I don't care  
I couldn't get asleep all night  
Love used to try a telephone  
I've done it hundred times before  
They always say you are not at home  
But I don't want you waiting for

Last night I saw you standing there...  
Last night I saw you standing there...
