

Light Of My Life

Miro Žbirka

Light of... Light of my life
Light of... Light of my life
Light of... Light of my life
Light of... Light of my life
Wo oh, I can see every day
And I will never let you down
Wo oh, I just pray and the prayer
That you will always being round

Light of... Light of my life
Light of... Light of my life
Wo oh, I can do all for you
I'll do it always and in time
So don't say you're fool - that's not true
Don't pretend you're deaf and blind

When I get up in the morning
Everything's so good and nice
But when the day is gone
And I'm all alone, I pray
ye-e-e-e-hey

Light of... Light of my life
(light of my life)
Light of... Light of my life
Light of... Light of my life
(light of my life, my light)
Light of... Light of my life
