

Mama

Miro Žbirka

Mama - that's alright
You got me on my way
Mama - that's alright
You got me on my way

Ah, rainbow, surrender
Show me the way
Show me the way
I don't know, where to go
Show me the way
Show me...

Mama - that's alright...

I'm looking, I'm searching
Show me the way
Show me the way
I'll take it, I'll make it
Show me the way
Show me...

Mama - that's alright...

I know I understand
The way you hold my hand
I know you didn't write
The way you came to my life
Holding me tight

Ah, rainbow, surrender
Show me the way
Show me the way
I don't know, where to go
Show me the way
Show me...

Mama - that's alright
