

Scandalous

Mis-Teeq

So so so scandalous...

You know you wanna sing with us (baby)
That's why you know you should
Be scared of us (baby)

You know you wanna sing with us (baby)
That's why you know you should
Be scared of us (baby)

Non stop looks to kill
Straight talk sex-appeal
One touch give me chills and
We ain't even close yet

Rought neck all around
Inking all over town
Show me how you get down
Cow we ain't even close yet

You got me feening and
You got me feeling weak
Listen as i speak cos i'm
Careful as i creep
You got me going crazy and
You know i can't sleep
No fortune your moves and
you hypnotise me

You got me trembling
Like a little baby girl
You're so special
You're like a diamonds and pearls
You got me spinning
And you got me in a twirl
You're my number one baby
And you, come to rock my world

You're dangerous just get it up
The way you move so scandalous
It's all about the two of us
A one night stand just ain't enough
I need some simulation baby
A little conversation maybe
You got me spinning out like crazy
There goes my baby

Scandalous, so scandalous (baby)
Scandalous, so so so scandalous

Hot stuff head to toe
Where you go, no one knows
You smile playing the dough and
We ain't even close yet

Solid as a rock
How many ways can you hit the spot

Show me what you got
Cos we ain't even close yet

You got me feening and
You got me feeling weak
Listen as i speak cos i'm
Careful as i creep
You got me going crazy and
You know i can't sleep
No fortune your moves and
You hypnotise me

You got me trembling
Like a little baby girl
You're so special
You're like a diamonds and pearls
You got me spinning
And you got me in a twirl
