

## Why?

Mis-Teeq

We've always been so close together  
Doing things that only best friends do  
Always there for one another  
Through the bad times and the good  
The other night you held me close  
Need to know did  
We just cross the line  
Saw the sign feels so right  
Won't you tell me why

Why? Why?  
Why do friends change  
Lovers take so long  
Now that you've come around  
Finally found a love so strong  
Why? Why?  
Why were you so near  
And yet so far  
How could I be so blind  
When all the time  
I was in your heart

For so long I've been searching  
For a love to call my own  
Now I know I was only waiting  
For the face I've always known  
I believe what Heaven is  
Just like this every time we kiss  
Deep inside feel so high  
Won't you tell me why

Now that I stop and think about it  
How could I ever live without  
Your warm and tender touch  
I needed it so much
