

Share My Madness

Misery Inc.

Unbreakable, untouchable and I've lost 'em all.
Unmerciful, unbeatable and I've lost 'em all.

Pre-chorus: Bury your pain to me, I'll take it all.
Bury your pain to me, I'm ready to break and fall.

Chorus: Share my madness and I'll give it to you.
Share my madness, you can do with it what you do.

Vulnerable, miserable and I've lost 'em all.
The further I go, the weaker I am, my life's been just a scam.

Pre-chorus: Bury your pain to me, I'll take it all.
Bury your pain to me, I'm ready to brake and fall

Chorus: Share my madness and I'll give it to you.
Share my madness, you can do with it what you do.
