March of the animals

The indication of a time where the passion of man is lived through fiction

Feed off of the bottom line

Let entertainment be the last refuge for mass opinion Spouting the antidotes- another preacher of the right paints th e world in black and white terms.

Last time in the end zone

It's hard to care when the world outside has guns against your head

Castigate then sedate Convert problems into 'need's then download and erode Let circuits replace all emotion.

Bottom feeding
Dragging us across the desert of the real...

Led up to the trough to be fattened up
Human pigs so ripe for feasting
Following the rules
Unquestioned-the animal farm falling under siege...

Rigging the hooks on the virgin nation
The mediated paradise unfolds
The outcome a process of brain starvation
Habituate the viewers into clones
